

PRAY FOR THE PERSECUTED VOM PRAYER MAP

RESTRICTED AND HOSTILE

In some countries, government-sanctioned circumstances or anti-Christian laws lead to Christians being harassed, imprisoned, killed, or deprived of possessions or liberties because of their witness. Christians may also be prevented from obtaining Bibles or other Christian literature. Even in countries where governments do not actively oppose Christianity, believers suffer severe persecution from family, friends, neighbours, political and religious groups or rebels because of their witness.

MONITORED

These are areas being closely monitored by Voice of the Martyrs because of a trend towards increased persecution of Christians.
